

Central Washington Family Medicine Residency Program

Program Director – Family Medicine Residency

Yakima, WA

Central Washington Family Residency, a family medicine program with a strong 25-year history, is welcoming applications for the Program Director position. With only 2 directors over its successful lifespan, the program has built strong continuity and enjoys a sterling reputation in the medical community.

The parent organization, Community Health of Central Washington is dedicated to its mission of service and education. The ideal candidate will possess a strong commitment to increasing primary care access in underserved areas. This opportunity is unique in many respects and we invite you to contact us for a full packet of information.

As Program Director, your responsibilities would include

- Leading the planning, implementation and evaluation of all teaching and administrative activities of the residency program.
- Supervising the faculty of the program.
- Coordinating strategic planning for the program and working with the Board of Directors to establish and reach goals and objectives.
- Maintaining continuous compliance with residency program requirements set by the ACGME.
- Integrating the work of the residency program to assure fulfillment of CHCW's mission.
- Participating in recruiting faculty and residents, as well as evaluating the performance of faculty and residents.
- Additional duties, as described in the official Job Description.

The ideal candidate will have the following qualifications:

- Must be a licensed physician, board certified in Family Medicine by the ABFM or ABOFM.
- A minimum of five years of clinical experience in family medicine, with at least two years as a core faculty member in an ACGME- or AOA-accredited family medicine residency program.
- Requisite specialty expertise and documented educational and administrative experience acceptable to the review committee.
- Demonstrated success in leadership and management.
- Evidence of scholarly activity is desirable.

Community Health of Central Washington provides a generous and comprehensive benefits package, together with salary. Benefits include

- Fully covered medical, vision and dental insurance
- PTO, EIT, 8 paid holidays and CME time and budget
- 401k with company contributions
- Professional insurance, licensing and professional memberships
- Additional benefits
