

## Program Director – Family Medicine Residency Yakima, WA

Central Washington Family Residency, a family medicine program with a strong 25-year history, is welcoming applications for the Program Director position. With only 2 directors over its successful lifespan, the program has built strong continuity and enjoys a sterling reputation in the medical community.

The parent organization, Community Health of Central Washington is dedicated to its mission of service and education. The ideal candidate will possess a strong commitment to increasing primary care access in underserved areas. This opportunity is unique in many respects and we invite you to contact us for a full packet of information. [Read More](#)
